## Traffic Flow Around Campus

**Please remember that the traffic flow at CIS will be changing as of April 28, when you return from Spring Break. See attached.**

**Changes include:**

- All traffic on campus will flow one way
- Secondary students have a new drop off and pick up location at the parking lot at the south end of the field
- There will be a safety barrier installed between the field and the road along the east perimeter
- A safety crossing will be established to provide a safe walking zone from the parking area to the campus
- Parallel parking lines will be painted to designate additional parking areas

**Other notes:**

- There will be a security guard at the entrance/exit intersection directing traffic during arrival and dismissal times
- Please be courteous to all security guards and others who are working to make traffic safer
- The speed bumps on the east perimeter (back stretch) may not be installed by April 21, so please drive slowly
- There is additional parking available along the north perimeter of campus in the unpaved section near the courts and the ARC

Drive slowly! Stay off of your phone while driving! Be careful and be courteous to others!

Thank you for your patience and flexibility as the new traffic system is implemented.

***CIS wishes you a safe and happy Spring Break.***

The school will be closed from Friday, April 18 through to April 25, 2014 inclusive. Should you need assistance from the school please contact cis@cayintschool.ky

## Developing Capable Young People

We extend a hearty congratulations to the following 16 CIS parents who recently completed the Developing Capable Young People (DCYP) course:

| | | | |
|---|---|---|---|
| Petra Berksoy | Jacqui Fernandes | Julie Marr | Nicole Ruddick |
| Karmen Berube | Late Franklin | Tracey McGregor | Cheryl Seymour |
| Jody Danter | Ailsa Keightley | April McIntosh | Rafe Wunsch |
| Eddie Fernandes | Hind Kilali | Philippa Roney | Penelope Wunsch |

Should there be enough interest, the course will be offered during the 2014-15 school year. If you wish to find out more about the DCYP program, please feel free to contact any of the individuals listed above. We have also included below several testimonials as well:

*"I loved the DCYP course. I found the information useful and informative. I acquired a toolkit of techniques to help create a more healthy and positive home for my family. I feel the course empowered me as a mother to meet my goals of raising capable, self-confident, independent people. Thank you so much for offering it to our CIS community!" Julie*

*"I admire Ms. Angie's and Ms. Lisa's calm and thoughtful communication with children; this weekly reminder to use positive and respectful language was a helpful pause for reflection." Tracey*

*"We go to school to gain knowledge and experience to be successful in our careers, but rarely do we get an opportunity to go to school to learn to be a better parent (which is the most important job of all). The course is informative, interesting and rewarding for both the parents learning the techniques and the children experiencing the effects of them. Angie is a great facilitator, adapting to the needs of the individuals and the group. It is also great to develop a support network of other parents with similar goals. Thank you!" Philippa*

*"I cannot recommend this course highly enough. The course material introduced me to a whole range of new strategies and tools for dealing with difficult parenting issues, but perhaps more importantly it has encouraged me to really think about wider issues such as how to encourage children to become capable young people, the importance of allowing our children to make mistakes, and what sort of discipline is going to be most effective in a family. The course sessions were both fun and challenging; and it was also very reassuring to discover that most of us struggle with the same parenting issues." Ailsa*

## STRATEGIC PLANNING SURVEY

**Please take about 10-15 minutes to provide your input and thoughts about CIS through the strategic planning Survey. The survey is anonymous and the results will be extremely valuable in helping to shape the new CIS strategic plan.**

## Early Childhood and Elementary Parent Series

There will be an Early Childhood and Elementary parent series evening on Tuesday, April 29. We will be discussing how our own personal temperaments impact our parenting. Parents will have an opportunity to participate in a short Myers Brigg Type Inventory. It will be an enlightening experience for those who attend. (Depending on the level of interest, we may host two sessions on the same evening).

## MAP TESTING IS AROUND THE CORNER

CIS students will be participating in the Measure of Academic Progress or MAP assessment from May 5-16, 2014. Reading assessments will take place the first week and math the second week. (Below is the schedule for the MAP assessment).

MAP tests are unique in that they are adaptive tests your child takes on a computer which usually requires approximately 50 minutes to complete. It is important to note that these assessments are not timed and students have as much time needed to complete the reading or math. That means that the test became more difficult the more questions your child answers correctly. When your child incorrectly answers a question, the test became easier. Therefore, your child will take a test specifically created for his or her learning level.

The MAP reading and math tests help determine your child's instructional level and measure his/her academic growth throughout the school year.

After the assessment parents will receive the results for your child. Additionally, as previously done with our first assessment scores in October, CIS will hold a meeting to discuss/explain the scores along with how CIS students did in comparison to US norms, Tri-State Association Schools and all International Schools students who sat the MAP assessment.

If you have any questions regarding the MAP assessment, please contact your classroom teacher or, Ms. Rita, curriculum coordinator, at the following email address: rita.imparato@cayintschool.ky

## BUILDING RELATIONSHIPS

Parents often want to improve relationships with their children, but sometimes it can be difficult to know where to begin. Life is busy, and it is difficult to even find the time to think about enhancing your relationship with your children. What does a parent do?

One of the biggest keys to a good relationship is spending time with your children. Sharing in fun brings people closer together. It is important, even in the busy world we live in, to set time aside for your children. Start today and make family night a regular occasion in your house. When kids are young there is nothing better than spending time with you, their parents. Here are a few ideas on how to fit quality time in with your kids:

- **Homemade Pizza Night:** This is fun for kids, parents can roll out the crust and each person in the family can put the toppings of his/her choice on a personal size pizza.
- **Game Night:** Take one night a week or one night a month and make it game night. Kids love to play games and they learn sportsmanship at the same time.
- **Movie Night:** Take one night a month and make it family movie night. Let a different person select the movie each night, pop some popcorn and hang out in the living room together.
- **Family Fun Bag:** Sit down and make a list of all the fun things you want to do together. Write each one on a sheet of paper and place them in a bag. Draw one slip out each week or month and do what is on the slip on family fun night/day.

## PTA CORNER

Thanks to everyone who supported the PTA uniform swap, approximately $900.00 was raised! These funds will be going to support a few upcoming PTA initiatives including:

1) Senior Scholarship Essay contest (in June).
2) A NEW Grade 11 recycling campaign in conjunction with the company 'JUNK'.
3) Faculty and Staff happy-hour appreciation to be held in May.

Thank you for your ongoing support!

**Please Save-the-Dates:**

- **Sunday, June 1st, 3-6 PM:** PTA Family Fun Beach Party – TBA.
- **Wednesday, June 4th:** LAST uniform swap of the school year.
- **Thursday, June 12th, 1-2 PM:** PTA General Meeting, 2014/15 Board nominations and VIP parking space drawing.

Nominations and volunteers are being accepted for the 2014/15 PTA Board. Please contact any current Board member for details.

## IB LEARNER PROFILE FOR THE MONTH IN ACTION

"Learn everything you can, anytime you can, from anyone you can, there will always come a time when you will be grateful you did."
— Sarah Caldwell

It is our nature to explore, discover and learn. To quote Aristotle, "All men by nature desire knowledge". The IB learner profile this month challenges us to be knowledgeable in action, which in one sense should be easy because it is instinctive. Yet this month we are reminded of the importance of actively pursuing knowledge. Actively pursuing and acquiring an in-depth understanding of those things we don't yet know is the challenge. This takes commitment and hard work but the rewards are limitless. CIS recognizes the importance of encouraging student to develop knowledge, skills and attitudes in relation to organization, time management, and oral and written communication skills. The aim of the Organization and Development class is to continue and promote growth and development in each student as a learner so they may be knowledgeable. We explore the learning process, each individual as a learner and the organizational and study systems that are best for each student.

# CIS Out and About

The Roller Hockey Travel team that practices out of Kings Sports Centre recently competed in the NARCh (North American Roller Hockey Championship) Tournament in Fort Myers Florida. A number of CIS students were represented on the U8, U10 and U14 teams. The 8U won Silver, 10U won silver and the 14U won Bronze in the Silver Division. CIS students on the 8U team include: Lachlan L., Andy H., Connor F., Gavin S., and Phillip W. ' on the 10U team were Kayden K., Justin H., Jayden M. and Sadie F. ; and CIS students on the 14U team are Wyatt H. and Zachary B.

CONGRATULATIONS EVERYONE!

## MAKING 1/2 DAYS MORE WORTHWHILE…

Aleena D. and Eve M. spent their 1/2 day on Tuesday, selling lemonade, Rainbow Loom bracelets, and cookies to raise money for the Humane Society! Well done, girls!
