

Nursery News December 2008

Dear Parents:

It's December already, I can hardly believe how fast this year has flown by. The children have changed a lot since September; they have grown in communication and social skills, as well as academically.

Last month was very exciting in our class. I loved the rainbow and color theme. Thank you for sending your children in the color of the day; they looked great. They had lots of fun playing with balloons and learning about the rainbow.

I know many of you will be travelling off, or staying on the island for the holidays. I just want to wish all the Nursery families all the happiness and togetherness for the holiday season.

Happy Holidays!

Miss Hayseann and Ms Carmelita

Upcoming Events

Dec 18th - Early Childhood assembly

Dec 19th - Nursery breakfast

Person of the month:

Dec 1 - Ella Hatchard

Birthdays:

Dec 2nd - Harry Milne

Dec 11th - Adam Purvis

Dec 12th - Ms. Hayseann

Month at a Glance

We have many fun activities planned to get us in the holiday spirits. This is sure to be an exciting month!

December is a month of celebrations and most importantly spending time with the people we love. This month the Nursery class; we will begin decorating our classroom and discussing the holiday symbols we see around us. Some of the activities will include: decorating stockings (critical/logical thinkers), as well as learning a variety of Christmas songs and rhymes (communication skills).

During the month of December we will also be discussing families. The children will be encouraged to share family traditions, stories and so much more (parents are invited to participate in this activity).

To celebrate the holidays, the Nursery classes will be having its annual Christmas Breakfast on December 19th. We will be handing out more information shortly, but please mark this morning on your calendars!
