

## Classroom News June 2, 2008

### Ms. Stephanie

This week our class will focus on the letter Xx, as well as review letters covered to date. We will also begin our final theme of the year: the Rainforest. In this theme students will learn about the different layers in the rainforest: emergent, canopy and understory. They will also learn about the rainforest's different animals and what foods grow there.

The second annual Scholastic Book Fair is this Monday and Tuesday, June 2<sup>nd</sup> & 3<sup>rd</sup>. The fair will be held in the MPR room and will be open between the hours of 12:00 to 6:30. There will be a wide selection of fiction and non-fiction picture books ranging from \$3 to \$6. The book fair is open to the whole community, therefore please encourage friends to come and have a browse as well. While our class will have an opportunity to view the books during school hours we ask that parents and children come together to purchase books.

Our Field fun Day has been rescheduled for this Thursday. If it rains, it will be on Friday. Remember to have your child wear running shoes and the color red.

Thank you and have a great week!
