CUC Primary Football League

the powerful game

Note:

- All final and third-place games must have a winner.
- If the score is tied after full time, there will be 10 minutes of extra time (two 5 minute halves). If the score is still tied after extra time, penalties will decide the winner. Each school will be awarded three (3) penalty kicks. If there are no winners following the three (3) penalty kicks, there will be sudden death penalties (in a completed round, if one school scores and the other school misses, the school that scores will be the winner).
