# WELCOME TO THE LIBRARY!

Meet Ms. Christine Szeryk, the new Librarian at CIS. Returning for another year, we have Jonalie Pepito, our Library Assistant. We are so happy to help your child explore the library and discover everything it has to offer.

The library has some exciting opportunities in store for your child this year:

- We will be cultivating lifelong readers who find joy and knowledge from reading books and other media.
- We will be creating a learning environment that provides every student access to technology as well as the knowledge of how to use it effectively and ethically.
- We will be building student knowledge of research strategies including setting criteria for credibility, accuracy, and relevance.
