

# ***Spirit Week***

**November 5<sup>th</sup> – 9<sup>th</sup>**

The high school, middle school and elementary school Student Leadership teams are planning the upcoming CIS Spirit Week, a celebration of "all things CIS." Each day has a thematic focus for the activities as well as the dress for the day.

The teams are busy making plans and preparations for the week of events. Students will serve on different committees to plan and coordinate the events. The secondary CIS Pep Rally on Wednesday will be a bit different from a regular pep rally - the arts and academics will be celebrated along with the sports teams! Parents are invited to the Pep Rally on Wednesday, November 7th from 2:15 to 3:15 p.m.

Events are also being planned for lunchtime and homeroom for the secondary students in keeping with the designated emphasis for each day. The daily themes were designed by the High School Leadership team officers (Mikayla Corin, Jack Paolini, Morgan Crowley and Nick Corin) in keeping with our CIS Community Principles of kindness, partnership, sustainability and good intent.
