

## Stood Up to Bullying Fair 2018

Congratulations to the CIS students who participated in the Inter-School Stood-Up to Bullying Fair. It was a fantastic event with some amazing projects displayed by students across the Cayman Islands. A special shout-out goes to Tahiti Seymour and Kendra Dickson who placed 3rd overall in the 13-15 Year Old Division and to Natalie Bolland and Charlize Keens who placed 2nd overall in the 13-15 Year Old Division. We are looking forward to being able to participate in this event again next year!
