

K-5 Math Night!

CIS Family Math Night October 30, 2018

The staff at CIS invites you and your family to join us on October 30, 2018 from **5:30-6:30 pm** for our Family Math Night for students in K-5. This is a great opportunity for hands on fun and educational learning for the whole family.

Each child/adult pairing will receive a schedule that includes the rotations and the three games for your math evening. This schedule will be emailed on the day of the event and will be available upon check-in at the Family Math Night. The event starts promptly at 5:30 and each rotation will last 15 minutes. Your schedule will clearly state which rotation/room you will be attending for each game. At the end of the evening students are encouraged to go to the estimation tables located by the administration building. Additionally, there will be snacks for everyone to enjoy!

Please RSVP by Monday, October 29 by dismissal time at 3:00 pm as we need to ensure the rotation group sizes are small and have the necessary materials to play each game. The form can be returned to your homeroom teacher or Ms. Simoni in the office.

First Child's Name: _____
Grade Level: _____
Adult's Name: _____ Email: _____

Second Child's Name: _____
Grade Level: _____
Adult's Name: _____ Email: _____

Third Child's Name: _____
Grade Level: _____
Adult's Name: _____ Email: _____

OR

Family Name: _____
Grade Level (Child1): _____ AND Grade Level (Child 2): _____
Adult's Name: _____ Email: _____

****Please note one adult can have multiple children in elementary, but the rotation schedule will have a mixture of games that may be more appropriate for one child over another.**

(Please contact Rita Imparato, curriculum coordinator at rita.imparato@cis.ky) for questions regarding this event).
