

Senior Spotlight: Chris

My family comes from Jamaica and Britain, but I was born in Cayman and I have lived here for my whole life. I've been attending CIS since pre-k 4, fourteen years ago. I am a pretty smart person but I'm too lazy and I end up procrastinating all the time. Even though I hate dancing I've always wanted to learn how to festival shuffle.

- **Describe your favorite family tradition.**
 - Going to my aunt's house on Christmas and singing songs. This is a family tradition that we've had since I was a baby.

- **Which is your favorite book? Why?**
 - Hitchhiker's Guide to the Galaxy because it has a completely ridiculous sense of humor.

- **What is the greatest crisis we face as a world? Why?**
 - Thoughtlessness because when people don't think and do something stupid it means someone else has to waste their time cleaning up the mess.

- **What is your favorite movie and why?**
 - Scott Pilgrim vs. the World because it's really self aware and it creates a normal world with video-game elements.

- **If you could have any superpower, what would it be? Why?**
 - Teleportation so that I would never have to ride the plane ever again. Because I have had way too many bad experiences while travelling.
