

Senior Spotlight: Janelle

I was born and raised in Grand Cayman. I am full Caymanian, meaning both my parents, grandparents, and great-grandparents are from here as well. I have only lived in Cayman. I have been at CIS since third grade (2009) so this year would be my ninth year here. Some of my best personality traits include the fact that I am creative, loyal, always trying to improve, and I am open to criticism. My not so good traits include the fact that I can be very lazy, and procrastinate from time to time. An interesting thing about me that people may not know is that I am very musically inclined. I love all things related to band, dramatic arts, and singing.

 - Miss Sarah's classroom, because our History class has so many good times in there, and obviously because that's where Miss Sarah is, and she's pretty awesome.
- **If you could eat dinner with any 3 people (dead or alive) who would they be and why?**
 - Michael Jackson, John Williams, and Niall Horan, because they are beautiful musical souls.

 - A Burger Shack cheese toastie with a side of large fries. No questions asked.
- **What is your favorite quote? Why?**
 - "Never argue with stupid people, they will drag you down to their level and then beat you with experience." - Mark Twain, and I like it just because it's a good thing to live by.
- **What is your dream job/career? Why?**
 - I want to eventually be working in Artist & Repertoire at a recording company, because music is my life and I want to be able to be involved with any aspect of it, and still have a business background.
