

Senior Spotlight: Sydney C.

I was born and have lived in Cayman my whole life, just like my mom (a very proud West Bayer). The only time I have lived outside of Cayman was during Ivan when we moved to Wellington, FL for a few months. I first went to school at Grace Christian with a couple people in my grade now. I left all of them and moved to St. Ignatius, and when I was about to enter year 2 we moved to CIS, where I have stayed since first grade. My personality is quite shy at first but when you get to know me I am talkative and bubbly. I think my worst trait is I tend to hold grudges and I never really know when I will get over them but I am working on it. Katherine said my best trait is that I am funny so I will go with that.

- **Which is your favorite book? Why?**
 - My favorite book is a book we had to read one summer for school called *The Outsiders*. I don't really know why it is my favorite book, I just remember absolutely loving it. I read it like 5 times that summer.

- **What is your favorite movie and why?**
 - I don't have one favorite movie, I have two. Ace Ventura and Malibu's Most Wanted. They both make me laugh so hard it's ridiculous. I think I quote both movies way too much.

- **What is your dream job/career? Why?**
 - My dream career would be an equestrian coach/horse trainer, working with horses and kids/adults. I love horses, and they are such a big part of my life so it really was a no-brainer that I wanted to work with them for the rest of my life.

- **What is something interesting about you that makes you unique?**
 - Something that makes me unique is that I love dressage. That's kinda weird to many people my age, because everyone finds it so boring. I just love the challenges and the feeling you get when you and the horse finally are communicating with each other.

- **What are your plans after you graduate from CIS?**
 - My plans after CIS would be to go to a college that I love and get a degree in equestrian sciences/studies and get to where I want to be in dressage, so I can make it to the Olympics.
