

Senior Spotlight: Wray S.

I was born and raised in Cayman but my parents are from Ontario, Canada. My mom is from Toronto and my dad is from a small town in Norfolk County, Simcoe. My grandparents on my mother's side of the family are from China and immigrated to Canada before my mother was born and my grandparents on my father's side are from Ontario and Manitoba. I have been at CIS since Grade 1, so this is my twelfth year here. Before that I was at St. Ignatius for a couple years but did attend Faulkner academy briefly. Most people would describe me as loud. I believe that my worst trait is that I tend not to think before I speak and can end up getting myself in uncomfortable situations. I think my best trait is my work ethic and my need to do my best in my studies and other activities. One interesting thing that people typically don't know about me is that I can identify a style of dance by watching the first 45 seconds of a routine. Basically I watch too much Dancing with the Stars, So You Think You Can Dance, and other famous choreographers.

- **What activities do you enjoy outside of school?**
 - Outside of school I enjoy dancing and aerial acrobatics at Quintessential Movement. Currently I am training in modern dance, aerial silks and hoop, as well as other acrobatics classes.

- **You're about to walk the green mile, what do you have as your last meal?**
 - Welly's Oxtail and Beans.

- **What are your plans after you graduate from CIS?**
 - After graduation, I hope to attend law school in London, hopefully at London School of Economics and Political Science. During my summer I hope to continue my internship with a local law firm and go backpacking around Europe.

- **Which is your favorite place on earth? Why?**
 - My room because it has my bed.

- **If you could have any superpower, what would it be? Why?**
 - Teleportation because I love to travel but hate airports and long flights.
