

## Senior Spotlight: Wyatt

I am from the Cayman Islands but my parents are from Canada and England. I have lived in the Cayman Islands for my entire life although I did live in Canada for 3 months after Hurricane Ivan. I have been going to CIS since 2003 and have attended it all throughout my academic career. I am pretty relaxed which is both my best and worst quality, it helps because I can distance myself from schoolwork but sometimes I need to work harder and feel a little more pressure. One thing that is interesting that no one knows about me is that I don't know how to ride a bike.

- **Which is your favorite book? Why?**
  - My favorite book is the Hobbit by J.R.R Tolkien. The Hobbit is my favorite book as it contains the same themes proposed in the more famous Lord of the Rings but is considerably shorter.
  
- **Describe your favorite family tradition.**
  - My favorite family tradition is every Saturday night my Dad barbeques hamburgers and we all sit on the couch watching the hockey game. This is my favorite family tradition as it is what comes to mind when I think of my family and the good times we have together.
  
- **What activities do you enjoy outside of school?**
  - My favorite after school activity is just playing sports with my friends. This is the time where I feel free from all the pressure and stress of school.
  
- **What are your plans after you graduate from CIS?**
  - After CIS I plan to go to university somewhere in Canada (still undecided where) and I will study business. Eventually I would like to return back to Cayman and live here but right now I just need to focus on graduating.
  
- **What is your favorite quote? Why?**
  - "Just keep swimming." - Dory, because it says no matter what happens take it one step at a time which is kind of my motto.
